601 LOVE STREET, ERWIN, TN 37650 | 423-743-3361 | UCFYMCA.FITNESS@GMAIL.COM

Classes are inclusive to all fitness levels.

Instructors can modify exercises for your specific needs or fitness level.

Class Descriptions

- **Aqua-Bata:** A fusion of aqua fitness and high-intensity interval training for a refreshing and effective experience.
- **Aqua-Fit:** This is a low-impact yet challenging session that combines traditional aerobic exercises with water's buoyancy.
- **Cardio & Toning:** A combination of cardiovascular exercises and toning to enhance endurance and strength.
- **Cardio Dance:** A lively class that combines dance routines with cardiovascular exercises.
- **Cardio Walk:** A brisk walking workout that will elevate your heart rate and boost cardiovascular health.
- **Cycle Class:** A low-impact cardiovascular exercise class performed on a spin bike. It simulates hill climbs, jumps, and sprints to build muscle, burn calories, and increase endurance.
- **Cycle & Tone:** 30 minutes of cycle and 30 minutes of muscle toning.
- **Dance:** Dance routines designed to burn calories and make cardiovascular exercise enjoyable.
- **Homeschool PE:** Social involvement for physical education for homeschooled children.
- **HITT 45:** High-Intensity Interval Training. 45 minutes of intense exercise bursts with short recovery periods to improve muscle tone and cardiovascular health.
- **Kickboxing:** A combination of martial arts and boxing that provides great cardiovascular and total body fitness.
- **Pickleball:** A combination of elements from tennis, badminton, and table tennis played with a pickleball paddle.
- **Pump & Tone:** A fitness class that incorporates weightlifting and toning exercises.
- **Restorative Yoga:** Gentle yoga movements, breathing techniques, and relaxation for a mindful experience of improving flexibility and well-being.
- **Senior Fit:** A fitness class for health and wellness focused on improving balance, mobility, and strength.
- **Strength Training:** Build, tone, and strengthen muscles in a group class for total body muscle improvement.
- **Step Aerobics:** An aerobic class using an elevated platform to step to a routine choreographed to music.
- **Yoga:** A mindful experience of connecting breathing techniques with physical postures for a spiritual connection.
- **Yogalates:** A fitness routine that combines Pilates exercise with postures and breathing techniques of yoga.

Group classes are a great way to have accountability and stay motivated.
